Dear Valued Business Partners,

Warmest Greetings from Fair House Villas & Spa!

We would like to take this opportunity to wish you a great and successful 2019.

Here at the Fair House Group, we have some exciting news for Fair House Villas & Spa.

As many of you may have known, we have been planning for a renovation project since early 2018. With many new and more international standard hotels opening in Koh Samui, we find that it is the right time for Fair House Villas to step up and modernize. Our new project design embraces: "Simplicity", "Privacy" and "Timeless". These concepts will be prevalent throughout our new resort. We will be making this step forward to make sure that we can be the best local branded hotel in Koh Samui with exceptional service standards.

The Management Team at Fair House Group is happy to announce that starting from 01 May 2019, Fair House Villas & Spa will be closing the whole resort for full hotel renovation project. We expect to have a soft opening on 01 December 2019.

We will be sharing with you more details of our project throughout the year. Expect a different Fair House Villas that we all want to see. We thank you for your support during this exciting time.

If there is any further question, please feel free to contact me via email at Gdosm@FairhouseSamui.com.
